In 1948 a group of young men, and some not so young, got together and formed BARFIELDS CRICKET CLUB which was based at Avondale Drive, South Loughton; although a majority of members lived in Debden. In 1950, to establish an identity more in line with its origins, the club changed its name to DEBDEN CRICKET CLUB. A further name change occurred in 1954, when, with the formation of the club's first football team the name DEBDEN SPORTS CLUB became more appropriate.

The club was only 10 years old when in 1958 it moved to its present home at Chigwell Lane, Loughton. With the aid of a grant of £400 from the National Playing Fields Association a clubhouse / pavilion was purchased and by a lot of hard work from those early members it was erected on its present site. Football continued to flourish and 1970 saw the start of Sunday teams playing in Debden's colours. By the mid 1970's the clubs origin (cricket) was languishing but the amalgamation with Selby Cricket Club in 1976 was its revival. A further amalgamation in 1986 with long established Highams Park Cricket Club (founded in 1908) was a strengthening of both ability and fixtures. However, the club's backbone had been football, and over the years junior teams at under 12's, under 13's, under 14s and under 16's have produced players for the Saturday and Sunday senior sides to such good effect that in 1993 a Saturday veteran team was formed.

Minority sports and activities have not been neglected and have been organised as and when demand dictated. Competitive Table Tennis (1966), competitive Darts (1986) and a Homing Pigeon section (1991) continue to thrive. At one time clay pigeon shooting was popular and held regularly, but we should mention ceased prior to the pigeon section starting.

Over the years additional facilities and amenities have been added to the original clubhouse / pavilion; a brick built toilet and shower block and an extra changing room. The increase in private car ownership necessitated the building of a tarmac car-park and with the introduction of flood lighting it can "double up" as a wet weather training area. Further floodlights have been installed over part of the ground adjacent to Chigwell Lane to provide an area for mid-week football training, thereby relieving the pressure on the pitches. In 1993 an all weather matting cricket net was laid nearer the pavilion and replace the old net in the far corner of the ground.

EDITORS NOTES

Good afternoon and a very warm welcome to Chigwell Lane, home of Debden Sports Club. I would like to welcome the players, officials and supporters of Bushey Rangers for today's Senior Division One encounter.

We entertain Bushey Rangers at Chigwell Lane for the 1st time in our final game of the season. We did meet away earlier in the season when we recorded a 3-2 win with our goals coming from Tom Carter, Luke Simmons and Leon Townley.

Bushey have spent the last few seasons in the top division but last season saw them relegated to Division One. Although they are nearer the bottom of the table a win today could see them finish as high as 8th in the table. I am sure they will be looking to end the season on a high.

It has been a long and hard season for the club but this week we finally got our hands on some silverware when first the Saturday Reserves won the Romford and District League Premier Divisions and then the 1st team won the Romford Charity Cup.

TEAM MANAGERS NOTES

Today we welcome Bushey Rangers who gave us a hard game the last time we played, eventually we ran out 3-2 winners with goals from Leon Townley and 2 from Luke Simmons. As we come to the last game of a long season, we can be pleased with our efforts once again, narrowly missing out on promotion for the 2nd year running.

The start of the season is the time we can point to where we missed out, struggling for players due to injuries and holidays, we lost the 4 out of the first 5 games, all by the odd goal. Once we got our squad back, we kicked on and went on good runs but later in the season when it came to the "must win" games, we narrowly missed out on getting the points needed to really push on.

Looking to next season, we hope to strengthen in all areas and add to the squad. We have players coming back from long term injuries so hopefully we can make it third time lucky in gaining promotion.

I'd like to thank all the boys for their efforts this season and hopefully we can round the season off with a win.

Old Parmerians 0
Debden Sports 3

Debden kept there slim promotion hopes alive with a decent team performance away to Old Parmerians. Despite recent set backs, Debden still have a chance of claiming 3rd spot, something they missed out on by a single point in there first season in the Herts. Senior County League.

A good high tempo start from the visitors was made but couldn't find a deserved break-through. Eventually the goal came when the leagues top scorer Steve Ochiltree sent Joe Powell clear and he coolly beat the keeper.

Second half the away side dominated and should have scored more goals. Ochiltree again was the provider squaring to Leon Townley to tap home into an empty goal. Tom Carter rounded off a good day for the Essex side, running on to Ochiltree pass and rounding the keeper to score easily.

Bushey Rangers History

Bushey Rangers Youth and Football Club was formed in 1959 with one football team competing in the Watford & District League. Junior Football was introduced in 1965 and the membership grew so much that it was decided that the Club needed their own headquarters in order to provide other facilities as well as football.

The Club raised a large amount of money from their fund-raising events, and with the assistance of various grants, the Club-House at the Moatfield was built. This was officially opened on 25th August 1966 by Jimmy Bloomfield, who during his football career played for Arsenal and West Ham United before turning to management with Leicester City F.C. and Orient F.C. Since then the Club has gone from strength to strength and in 1975 an extension room was added to the original building.

Bushey Rangers now have two Senior football teams in the Herts Senior County League with eleven youth teams competing in the Watford Friendly League. Ladies football was introduced in 1997 with 2 teams competing in the Greater London Women's League.

The social section of the club was formed in January 1979, mainly in order to raise money for the upkeep and maintenance of the Clubhouse and to provide sports kits, equipment and facilities for the younger members.

MATCH REPORTS:

Saturday 2nd May 2009

**Debden Sports 5
Letchworth Garden City Eagles 4**

With several Debden players feeling the effects of a well contested final on Wednesday and with nothing to play for in the league this was always going to be an odd game. Debden started the game full of confidence and Letchworth were unable to get close to the ball as it was stroked around with a swagger. Debden were soon 2-0 up through Steve Ochiltrie and Tom Carter. The ease in which these lead was taken would also contribute to Debden taking things for granted and easing their foot off the gas. The opposition were soon level at 2-2 but this was more a case of Debden throwing it away then them taking the game up a level. Ochiltrie regained the lead which was just as quickly lost. 3-3 at the break.

The 2nd half was much the same, Debden controlling the on goings but without much tempo. It was the introduction of youngster James Bryan that gave Debden a lift. Bryan who is keen to establish himself in Debden's squad was full of running and effort and it was he that gave Debden a 4-3 lead, his first for the team. Joe Powell added a fifth as it showed that Debden could score anytime they got out of 2nd gear. Just to continue in the games trend Letchworth got a late goal for a 5-4 finish in a very poor game

Saturday 29th April 2009

**Debden Sports 1
Harold Wood Athletic 2**

Debden's only chance of silverware this season came in the form of the Romford Charity Cup and they faced a tough test in opposition Harold Wood Athletic.

Debden started the 1st half in a positive fashion but were unable to maintain it for long as Wood started to control the tempo of play with good possession and early balls to their front men. Despite their dominance the Debden rearguard held firm and restricted them to one shot the whole half but disaster struck midway in the half when a routine gather from Sports keeper Graham Smith was misjudged and ended up in the back of the net.

Debden came out after the break in a frenzy and battered Harold Wood for an impressive 20 minutes. This was rewarded when player/manager Leon Townley reacted first to a poor defensive clearance to send a first time half volley over the scrambling keeper from all of 45 yards. Debden were now the better team and looking to take the lead and but for the heroics of the opposition keeper would have been out of sight.

Fortune was clearly not with Sports as a despite their clear superiority they went behind again when a needless free kick was conceded deep in their half. The resulting ball was won by a Harold Wood header back across the goal which their striker got to first to nudge past keeper Smith. This was a tough goal to concede as Wood had been unable to create a single shot in normal play. Deflated by the goal and unable to raise energy levels to the pace set at the start of the half Debden were unable to get back into the game and the cup went to Harold Wood.
